# IEEE International Workshop on Signal Processing Systems (SiPS 2025)

## Special Session Proposal

To submit a Special Session proposal, please fill in the following information and submit your proposal to the Special Sessions Chair Prof. Lei Zhang (Lei.Zhang@glasgow.ac.uk), copied to the Technical Program Co-Chairs Prof. Xinmiao Zhang (zhang.8952@osu.edu) and Prof. Rodrigo C. de Lamare (delamare@cetuc.puc-rio.br) before 11 May 2025. Special Sessions will be presented in either a lecture or a poster format. Each session will have about 4-5 papers (1 session) or 8-10 papers (2 sessions) for the lecture format, or 4 - 12 papers for the poster format.

We expect notification of acceptance emails of the Special Sessions to go out by 25 May 2025 and, if your proposal is accepted, your contributors will be required to submit a paper by the regular paper deadline (1 June 2025) and will undergo a regular review process.

## Special session proposal form

A Special Session proposal must include the following information:

### 1. Title of the special session

### 2. Preferred format: poster / lecture

### 3. Rationale and outline

Motivation of the proposal, clarifying why the topic of the proposed Special Session is timely and relevant. Briefly illustrate how the session is organized, possibly emphasizing different aspects of the proposed topic and how they are covered.

### 4. Contact information

Organizers' contact information: Name, address, e-mail.

### 5. List of confirmed contributors

This section must contain the list of confirmed contributing papers. For each paper, include the title of the paper, and the name(s), affiliation(s), and e-mail address(es) of the author(s).
